

Red Angus Business Directory Advertising

The Red Angus Society of Australia publishes an Annual Magazine and a Red Express every year. The Annual magazine is distributed in December and the Red Express in June.

As part of our publications, we'd like to offer businesses that are relevant to our membership, the opportunity to advertise in a classifieds section.

These adverts will be business card size (9cm x 5.5cm) and be listed in the back section of the publications and cost \$110.

There are other advertisement sizes available and these prices are all listed below.

The publications are distributed to over 800 seedstock and commercial members Australia wide. They are also used for promotional items at on-property sale, field days, royal and local shows and other industry events.

For those businesses who take part in this advertising, we are offering the chance to be part of our newsletters at no extra cost. If you have specials or attending field days, shows or sales, we are happy to include this information in our electronic newsletter that goes out to members every month.

If you would like to book an advertisement, please contact the Executive Officer Kate McDonald office on 02 6773 3022 or e: red.angus@abri.une.edu.au

Bookings must be with the office by Friday the 26th of October.

Please indicate at the time of booking if you'd like to be included in the Red Express June 2019 as well.
