

Ensure you are well

The **Red Angus Society of Australia Inc.**

offers Commercial membership to people with an interest in the Red Angus breed that do not wish to register Herdbook cattle or be actively involved in breed administration.

Commercial members receive all Society publications!

Red Angus Annual: A high quality annual publication including a membership directory!

Red Express: Informative Newsletter with current results and happenings in the breed!

Red Angus Catalogues: Automatically receive the National catalogue & other Red Angus auction catalogues!

PLUS!

Commercial members may record their prefix, tattoo and commercial cattle in the Red Performance register [RPR]. Commercial members with RPR recorded cattle can also performance test their cattle through Red Angus BREEDPLAN.

Benefit from the Societies marketing initiatives and have the opportunity to list cattle for sale on the Society website. **Commercial members can list commercial females and steers for sale on the Red Angus website free of charge.**

Participate in technical workshops conducted by Southern Beef Technology Services [SBTS] at membership rates. (Usually 50% of non-member rates). Commercial members can access technical advice and information from the Red Angus Technical Officer.

Invitation to state events and meetings: enjoy the fellowship of like-minded cattle producers.
